

~ Become a Member ~

Becoming a member of Lake Quivira Country Club means being a part of a family friendly community. Lake Quivira is a private, gated, country club community where both resident and non-resident members have access to an array of year round social and recreational activities.

Choose what level of membership best suits your interests and lifestyle:

GOLF

Membership includes:

- Full access to our 18-hole championship golf course and practice range including complimentary range balls
- Full access to the tennis courts, the lake, all clubhouse and dining facilities, and eligible for boat registration
- Full calendar of social events and recreational activities
- Full access to join the variety of special interest clubs

Country Club Membership
age 40+

Junior Country Club Membership
age 39* and under

Corporate Sponsored Membership

Available for businesses to sponsor two or three individuals for country club memberships.

This membership also offers the opportunity for transfer of the membership to another individual within the organization, with some limitations.

SOCIAL

Membership includes:

- Full access to the tennis courts, the waterfront beach, all clubhouse and dining facilities
- Full calendar of social events and recreational activities
- Full access to join the variety of special interest clubs

***If married, eligibility for Junior Country Club Membership is determined by the age of the older spouse. When a Junior Country Club Member attains 40 years of age, his or her membership will be automatically converted to a Country Club Membership.*
